Available Nursery Sessions:

Monday to Friday, 8:30am to 5:00pm. We are open for 39 weeks per year. Our fees are calculated to take this into account, and reflect a full year divided by three, so you will pay the same amount each term.

Late Collection:

£20.00 per every fifteen minutes of lateness after your child's expected collection time. The fee applies at any point in each fifteen minutes of late collection.

Nursery Fees:

All eligible children can access their funded hours at no cost.

Funded hours are provided at no charge. The 'Funded Fee' columns reflect the cost of additional hours and voluntary extras for each booking pattern. Government funding only covers the cost of the provision of childcare and the delivery of the Early Years Foundation Stage (EYFS). The funding does not include any of the other services that our nurseries provide, which include, but are not limited to:

- Meals and snacks
- Hygiene consumables
- Enrichment resources above EYFS
- Extracurricular activities

**All charges for the above are voluntary for children accessing funded hours. Parents may opt out of any or all.*

The fees above show the amount you would pay for your child's place if taking a combination of funded hours, voluntary extras, and sessions that are not covered by the Government funding.

These voluntary extras are calculated as follows (included as part of the above fees):

Meals and snacks - £10 per full day. Hygiene consumables - £5 per day. Enrichment resources above EYFS - £6 per day. Extracurricular activities - £34 per day

Funded entitlement only places are available. Please speak with the nursery about booking patterns. Full details of how The Kindergartens Nursery Schools deliver Government funding

can be found in our Government Funding Policy, by visiting our website at <https://www.thekindergartens.com/about-us/policies/>
